II. SPECIAL SERVICES DIVISION

Services to the Blind and Physically Handicapped (L.S.C.A., Title I).

During the fiscal year, 1979, Title I and State Funds were used to extend library services to the blind and physically handicapped people in Utah. Wyoming contracted with the State Library for total library service to the blind and physically handicapped people. The states of Idaho, New Mexico, Oregon, Nevada, Colorado, Montana, North and South Dakota, Alaska, Arizona, California, Hawaii, Nebraska contracted with the State Library for braille services only.

The Utah State Library for the blind and Physically Handicapped is the Multi-State Center serving 16 western states. As such, Utah is a back-up in service and collection to the Regional Libraries for the Blind and Physically Handicapped in the West.

During fiscal 1979, the State Library circulated books to the blind and physically handicapped in five different formats, i.e.; braille books, talking books, books on tape, large print books, and cassette books. In addition to these services the library has provided a Radio Reading service for its patrons, with the service the four state-wide newspapers are broadcast to patrons daily.
